REPORT OF THE AUDITOR GENERAL

I have the honour to submit the Report of the Auditor General for Canada, for the fiscal year ended March 31, 1910, including statements in detail of the Expenditure and Revenue of the Dominion of Canada for that period.

There have been no Treasury Board over-rulings of the Auditor General's decisions since the date of my last report.

Under section 63 of the Consolidated Revenue and Audit Act, the Minister of Finance directed that an examination and verification of the amount of specie held by the several Assistant Receivers General should be made by this office. All of these offices with one exception have been examined and those examined were found correct. The remaining office will be examined as soon as possible. The smallness of the staff available for this work precluded a simultaneous examination of all the offices where the specie reserves are kept.

The accounts of the Government Stationery Office for supplies purchased have been examined and an inventory of the stock on hand on April 30 last was taken by the officials of this office. These accounts bear the prescribed certificate by the proper officials that the goods have been received and that the prices were fair and just. Notwithstanding these certificates I have reason to believe that in certain cases the prices paid were excessive and that other irregularities existed in the office. An investigation was instituted by the Secretary of State which revealed the fact that certain officials were proved to be unworthy of the trust reposed in them and that the certificates which were given by them to this office were unreliable. I have received the assurance of the Secretary of State that these officials have been removed and that a better system of supervision, purchase and distribution is being established.

The existence of these irregularities emphasizes the necessity for the establishment of a proper system of storekeeping, a systematic stocktaking and an inspection by competent inspectors in every branch of the service where stores are kept.

An officer of this office accompanied one from the Department of Marine and Fisheries on an inspection of the stores in some of the outlying depots and reported that he had found the system very satisfactory.

In my report for 1908-9 I published certain correspondence with the Clerks of the Senate and House of Commons in reference to the classification of the staff under the provisions of the Civil Service Amendment Act—See pages N—77 and 88, 1908-9. My contention was that certain employees were not classified in accordance with the Civil Service Act. The matter was referred to the Department of Justice and my contention sustained. The effect of the classification was to give these employees salaries in excess of what they were legally entitled to. I requested the Clerk of the Commons to have this excess refunded or have it legally authorized by Parlia-

ment. This has not been done. I requested the Clerk of the Senate to refrain from using his letter-of-credit for these excessive payments, but he was ordered by a resolution of the Senate to make the payments, as well as certain bonuses to which I had taken exception as being contrary to the provisions of the Civil Service Act. I reported the matter to the Hon. the Minister of Finance in the following letter:—

'OTTAWA, April 20, 1910.

'Dear Mr. FIELDING,—In making the classification of the Senate, certain members of the staff were classified in the Second and Third Divisions who could not be considered as belonging to the clerical staff.

'I asked the Clerk of the Senate to refrain from making any increased payments to these persons as I considered that they could not be classified in either the Second or Third Division. The matter was finally referred to the Treasury Board for a ruling. The Department of Justice agreed with me and the Treasury Board sustained my contention and notified the Senate accordingly. It was proposed by the Senate to put the housekeeper in Second Division 'B' because his salary was $1,300 and to give him the flat increase of $150 and statutory increases annually up to $1,600.

'Also, to classify in Third Division 'A' the following:—Reading room curator, $900; doorkeeper, $950; steward, $900; messenger, $900; and give these men the flat increase and statutory increases up to $1,200.

'The Senate also proposed to grant certain bonuses to some of the officials. I took objection also to the payment of these as illegal.

'The Committee on Internal Economy and Contingent Accounts then recommended the adoption of a resolution authorizing the Clerk to sign and issue cheques for the proposed increases, although they had been declared illegal by the Department of Justice. Yesterday the Seante adopted the resolution. The Clerk is now in the position of being ordered to make illegal payments, and if he refuses, will be considered as being guilty of a "serious breach of duty."

'The staff of the Senate is under the Civil Service Act. The Senate was a party to the passing of this Act and now declines to be governed by its provisions. If they can override the law in this instance, then they can pay whatever salaries they please to the staff and expend their appropriations in any manner, legal or otherwise, as they see fit. As they must have a credit for the payment of their accounts, I am unable to prevent illegal payments. I can only object; but my objections are unheeded. All that I can do is to carry out the provisions of the Consolidated Revenue and Audit Act and report the matter to the House of Commons.

'Yours faithfully,

'(Sgd.) J. FRASER,

'*Auditor General.*'

The situation at present is very unsatisfactory. Parliament has directed that the Auditor General shall report to the Treasury Board through the Minister of Finance, any case in which a sub-accountant has expended any money out of the proceeds of any accountable credit, for any purpose for which there is no legislative authority. (Section 41, subsection 2, Consolidated Revenue and Audit Act.)

Parliament has enacted a Civil Service Act which authorizes that certain salaries shall be paid, and also that no extra remuneration shall be given unless specifically voted by Parliament.

The second of these provisions has been ignored by the Senate and the first by both branches of the legislature. I would respectfully suggest that the Act should either be amended or its provisions complied with.

At the last session of Parliament, a sub-committee of the Public Accounts Committee presented a report recommending 'That henceforth arrears owing by senators and members of Parliament should at the end of each sesison, be deducted from the balance of their respective sessional indemnity, and that the King's Printer be instructed to notify the respective accountants of the Senate and House of Commons in regard to such arrears.'

I wrote the King's Printer in reference to these arrears and in reply received a copy of a letter to him from the Clerk of the House of Commons, as follows:—

'OTTAWA, May 10, 1910.

SIR,—I am informed by the accountant of the House of Commons that just before prorogation the department under your charge sent him a list of accounts against members of the House of Commons for speeches, &c., which he was requested to collect.

'The accountant having appealed to me on this subject after he had taken trouble to collect some of the accounts, I directed him not to undertake this service again as there was no authority for his doing so.

'I assume that your department was under the impression that the report of the Committee on Public Accounts, of May 11, 1909, containing a clause on this subject was sufficient authority for your action.

'I beg to say that the report of this committee as to the method of collecting outstanding accounts was entirely without jurisdiction and the House of Commons itself has no authority to supersede a Dominion statute which deals with the payment of indemnity to members of Parliament. The only way in which this matter could be dealt with is by legislation and not by the method suggested by the committee.

'I, therefore, desire that on future occasions no accounts against members be sent to the accountant of the House of Commons for collection.

'I have the honour, &c.,

'(Sgd.) T. B. FLINT,

'The King's Printer, Ottawa. *Clerk of House of Commons.*'

To which I replied:—

'OTTAWA, October 5, 1910.

'SIR,—I have to acknowledge receipt of your letter of 4th instant in reference to arrears due by senators and members, in which you inclose a letter from the Clerk of the House of Commons, and asking to be advised whether you are to consider the Clerk's view of the question as final.

'In reply, I beg to say most decidedly not. The House of Commons has ordered you to notify the respective accountants of the Senate and House of Commons in regard to such arrears. The Clerk of the House of Commons cannot countermand an order of the House, therefore, I should advise you to notify the accountants as ordered. If the Clerk chooses to disobey the order of the House, that is a matter to be settled between the House and its officer.

'I am, sir, your, obedient servant,

'The King's Printer. (Sgd.) J. FRASER, *A.G.*'

If the Clerk's view of the matter is to prevail, and if it is considered desirable that these accounts should be collected, then, some other means should be provided for their collection.

J. FRASER,

Ottawa, October 20, 1910. *Auditor General.*

Re Three Rivers Harbour.

AUDIT OFFICE, OTTAWA, Sepember 27, 1910.

SIR,—No interest has been paid on the advances made to Three Rivers harbour since 1895.

The report of the commissioners for the calendar year 1909 shows the receipts to have been $20,783.71, and the expenditure:—

For maintenance	$ 6,052 71
Interest on debentures	9,525 00
Sinking fund	1,905 00
Surplus	3,301 00
	$20,783 71

The same report shows that the commissioners had at their credit in the bank $13,622.42, made up by accumulated surpluses.

Under these circumstances it would seem that they should be called on to pay the interest on the amount due to the government.

I am, sir, your obedient servant,

The Deputy Minister of Finance. J. FRASER, *A.G.*

FINANCE DEPARTMENT, OTTAWA, September 30, 1910.

SIR,—I beg to acknowledge receipt of your letter of the 27th instant, respecting arrears of interest due by the Three Rivers Harbour Commission.

I am communicating with the commission calling attention to how the matter stands and asking for a remittance.

I am, sir, your obedient servant,

The Auditor General. T. C. BOVILLE, *D.M.F.*

Re Arrears Due.

AUDIT OFFICE, OTTAWA, September 27, 1910.

SIR,—A statement is published each year in the Audit Report of all arrears due to the several departments.

Your department furnishes regularly statements of the arrears due on account of slides and booms and rents, but no statements are furnished of arrears due on account of telegraph revenue, nor of advances not accounted for.

Your attention was called to this omission on November 8, 1909, and on November 15 your secretary replied that my letter had been referred to the accountant and telegraph superintendent for necessary attention, but no statement was furnished.

Might I request you to see that these statements are furnished this year?

I am, sir, your obedient servant,

The Deputy Minister of Public Works. J. FRASER, *A.G.*

DEPT. OF PUBLIC WORKS, SECRETARY'S OFFICE, OTTAWA, September 30, 1910.

SIR,—I am directed to acknowledge the receipt of your letter of the 27th instant concerning statements of arrears due on account of telegraph revenue, also of advances for the same service, and to state in reply that the telegraph superintendent and the accountant are requested to take steps in order to comply with your wishes.

I am, sir, your obedient servant,

The Auditor General. N. DESJARDINS, *for Secretary.*

Re Arrears due for Aid to Civil Power.

AUDIT OFFICE, OTTAWA, September 28, 1910.

SIR,—I beg to inclose for the information of the Treasury Board and for such action as to it may seem fit, a statement of the arrears due to the Department of Militia and Defence for aid to civil power.

The Militia Act, chapter 41, sections 89 and 90, provides that the municipality in which the services are required shall pay the expenses, though, pending the payment by the municipality, it may be advanced out of the Consolidated Revenue Fund, and that the amount so advanced, if not repaid, may be recovered in any court of competent jurisdiction.

The only case in which such action has been taken is Sault Ste. Marie, against which a judgment was obtained on August 24, 1910.

It would seem to be a matter worthy of the early consideration of the Treasury Board.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. FRASER, *A.G.*

Re Indian Lands: Principal Due.

AUDIT OFFICE, OTTAWA, September 27, 1910.

SIR,—The amount due for principal on Indian Lands has increased during 1909-10 by $565,102.41.

Please let me have a statement showing how this increase is made up.

I am, sir, your obedient servant,

The Deputy Supt. General Indian Affairs. J. FRASER, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 3, 1910.

SIR,—In reply to your letter of the 27th ultimo, with regard to the question of an increase in the amount of principal outstanding on land sales for the year ended March 31 last, over that of the previous year, I have to state that the difference in this matter arises through several auction sales of lands in Alberta and Saskatchewan having taken place during the year, the terms of sale providing for payment of only one-tenth cash.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

† Superannuation Fund No. 2.

AUDIT OFFICE, OTTAWA, June 23, 1910.

SIR,—I beg to draw your attention to various items connected with the expenditure from Exhibitions Vote for the fiscal year 1909-10.

London Exhibition.

Ch. 5745, Dale & Co., $183.70. Details required.

Expenditure in London. A balance of $180.03 was unaccounted for at the close of the year 1908-9.

On September 13, 1909, a refund of $85.69 was made by Messrs. Hutchison and Hains. Please furnish statement and vouchers covering difference, $94.34.

Seattle Exhibition.

Overpayments were, apparently, made as follows:—

1909—

Nov. 1, voucher 1228, Kelowna Farmers' Exchange, Ltd., $7.40 (See vouchers 1070 and 1072).

Oct. 23, voucher 1156, Dryden & Decler Co., $9.15 (See vouchers 795 and 796).

June and July, voucher 679, Geo. S. Bush & Co., terminal charges, $8.54. (See L. C. cheque 2707, Rand, McNally & Co.).

June and July, voucher 679, Geo. S. Bush & Co., terminal charges, $7.77. (See L. C. cheque 2707, Rand, McNally & Co.).

June and July, voucher 732, Geo. S. Bush & Co., terminal charges, $2.79. (See L. C. cheque 2707, Rand, McNally & Co.).

These charges were on a purchase of 200,000 atlasses, shipped from Chicago by Rand, McNally & Co., usually in lots of from 6,000 to 10,000. In one instance, a shortage of 1 case (or about 1,000 copies) is noted on the freight bill. Each lot, with one exception, evidently passed through the hands of Geo. S. Bush & Co. On June 15, 1909, Rand, McNally & Co. shipped 20,000 copies. I can find no record of their arrival in Seattle. The freight rate charged, usually $2 per cwt., was, in some instances, increased to $3 per cwt. Explanation of this variation should be made.

Statements to rand show a balance of $1,239 to be accounted for by Messrs. Hutchison and Tolmie, less a refund of $1,238.36. Voucher for balance, 64 cents, required.

Brussels Exhibition.

Thos. Cote received at Ottawa monthly payments on account of salary, beginning with November, 1909. Up to the close of the fiscal year these payments aggregated $800. As Mr. Cote was regularly in receipt of his monthly salary in full, at Brussels, throughout this period, these amounts constitute an overpayment of $800.

Cheque No. 5220, $500, received by Mr. Cote on account of expenses is also unaccounted for.

Please furnish this office with a statement of Mr. Cote's account to date.

S. Anderson, cheque 6104, advance $200. A refund of $100 (Dec. salary) has been made. A further refund of $100 is required.

Expenditure in Brussels—

J. T. Bull & Son, on account, $195.05. Details required.

Brussels exposition, on account of site, $7,709.60. Details required.

I am, sir, your obedient servant,

J. FRASER, *A.G*

The Deputy Minister of Agriculture.

AUDIT OFFICE, OTTAWA, January 14, 1910.

SIR,—I have to call your attention to a balance of $195.93 due your department by Mr. A. W. Despard. Your attention was called to this balance in my letters of March 2 and July 7, 1908, and your replies of March 11 and August 6, stated that this amount would be accounted for at once.

I understood a settlement was to be made of the amount on payments made at the Seattle Exhibition. The accounts for the latter are to hand to November, 1909, and I find that no settlement has been made. Please have this balance accounted for without any further delay.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Agriculture.

DEPT. OF AGRICULTURE, OTTAWA, January 25, 1910.

SIR,—In answer to your letter of the 14th instant drawing attention to a balance of $195.93 due this department by Mr. A. W. Despard, I have to inform you that the Exhibition Commissioner has been requested to deduct the sum of $100 for the month of February and the sum of $95.93 for the month of March from Mr. Despard's salary, so that this amount can be placed to the credit of casual revenue account.

I am, sir, your obedient servant,

GEO. F. O'HALLORAN, *D.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, July 7, 1910.

SIR,—Referring to your expenditure in 1909-10 on account of 'Fruit in cold storage, &c.,' I notice that the expenditure was $4,728.77 for apples, and storage and freight charges. There is a credit to the vote of $643.83, presumably return from sales of apples, leaving a net expenditure of $4,084.94. Please let me know if this amount of $643.83 represents the full amount of the proceeds, and forward statement showing disposition of apples, as well as the account sales. It would appear that there were 793 barrels and 1,036 boxes of apples purchased for this service.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Agriculture.

DEPT. OF AGRICULTURE, OTTAWA, July 15, 1910.

SIR,—Replying to yours under date the 7th instant referring to expenditure in 1909-10 on account of 'Fruit in cold storage, &c.,' for experimental purposes for which an appropriation of $7,000 was granted for the fiscal years 1909-10 and 1910-11, I may say that a remittance of $643.83 was placed to the credit of the appropriation for 1909-10, additional amounts have been returned since the close of the fiscal year 1909-10 amounting to $3,924.47, this amount has been placed to the credit of the appropriation for 1910-11.

The amount of sales to hand total $4,568.30, which accounts for 784 barrels and 1,020 boxes of apples. The accountant is forwarding to you under separate cover a statement of all sales, giving every detail.

I am, sir, your obedient servant,

GEO. F. O'HALLORAN, *D.M*

The Auditor General.

AUDIT OFFICE, OTTAWA, May 31, 1910.

SIR,—Referring to your expenditure on account of Health of Animals, 1909-10, let me call your attention to payment by cheque No. 5286 of $408.63 to Fischer & Nourse, of Coaticook, Que., for sundry expenses *re* the quarantining of cattle.

As the payment appears to be an unusual one, please send me a statement of the circumstances which, in your opinion, makes the claim a charge on the public.

The accounts of McKee and Smith & Son are not receipted. Please furnish receipts.

Is not the charge of $15 for lumber in McKee's account the same item as appears in the main account under date of November 28?

I am, sir, your obedient servant,

J. FRASER, *A.G*

The Deputy Minister of Agriculture.

DEPT. OF AGRICULTURE, OTTAWA, June 6, 1910.

SIR,—In answer to yours of the 31st ultimo calling attention to payment by cheque No. 5286 for $408.63 to Messrs. Fischer and Nourse, of Coaticook, Que., on account of Health of Animals, 1909-10, I have to inform you that the Veterinary Director General reports that the claim of Messrs. Fischer and Nourse was for loss sustained by them through the quarantining at Coaticook for 25 days following November 28, 1908, of a shipment comprising 45 hogs, 17 sheep and 4 calves.

That it is found impossible to enforce restrictive measures in the nature of live stock quarantine without inflicting inconvenience and financial loss on stock owners.

That Messrs. Fischer and Nourse were not themselves responsible for the initial error which consisted in loading the animals on an uncleaned American stock car, but that this was done at the instance and under the authority of the customs collector at Coaticook.

That so far as he can ascertain there was no intention whatever on the part of Messrs Fischer and Nourse to in any way evade or treat with disrespect the regulations of this department, through the strict enforcement of which they undoubtedly suffered considerable loss. The payment is an unusual one, but in the circumstances, I am of opinion that the claim should be paid.

With regard to receipts from Messrs. McKee and Smith & Son, if you will be good enough to have the sub-vouchers returned to me, I will have them duly receipted and returned.

If you will kindly return sub-vouchers *re* lumber purchased from Messrs. McKee, I will ascertain whether the $15 referred to is the same item as appears in the main account under date November 28, but I am of opinion that it is not.

I am, sir, your obedient servant,

GEO. F. O'HALLORAN, *D.M.*

The Auditor General.

Travelling Expenses of Special Branch.

AUDIT OFFICE, OTTAWA, January 25, 1910.

SIR,—Among the amendments of the Customs Act passed in the session of 1908, was the addition of a section as follows:—

'Officers of customs examining baggage, inspectors of customs and their assistants, and other duly accredited officials of the Department of Customs with their baggage and equipment shall, at all times when it is so required by the Minister of Customs, be carried free of charge on any steamship or steamboat navigating the waters of Canada, and on any railway of Canada, provided such steamship, steamboat or railway participates in the transmission of goods in bond under customs manifests in Canada.' I have to request that you will furnish me with a list of the customs officials who are provided with free transportation under the terms of this section.

I am, sir, your obedient servant,

The Commissioner of Customs. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, April 14, 1910.

SIR,—I find that several of the members of the Special Branch have charged railway fares in their January expense accounts, as follows:—

W. N. Brown, $53.95.
J. R. Dunlop, $36.10.
J. H. Landreth, $36.20.
Geo. A. McHaffie, $5.30.
G. H. McMichael, $59.80.
F. Norris, $14.30.
J. E. Potts, $12.40.
A. L. Zimmerman, $10.95.

Previous to this month these officials charged no fares, they being furnished with free transportation under section 3 of the Act to Amend the Customs Act, passed in the session of 1908. I should like to know why the system has been changed and fares charged since the beginning of the calendar year.

I am, sir, your obedient servant,

The Commissioner of Customs. J. FRASER, *A.G.*

CUSTOMS DEPT., OTTAWA, April 18, 1910.

SIR,—I have the honour to acknowledge the receipt of your letter of the 14th instant, respecting railway fares charged in the January expense accounts of certain members of the Special Branch of this department, as follows:—W. N. Brown, J. R. Dunlop, J. H. Landreth, Geo. H. McHaffie, C. M. McMichael, F. Norris, J. E. Potts and A. L. Zimmerman. Passes have not been applied for in favour of these officers, as they are not employed on service in which the customs and railway are both interested.

I am, sir, your obedient servant,

The Auditor General. JOHN McDOUGALD.
Commissioner of Customs.

AUDIT OFFICE, OTTAWA, June 15, 1910.

SIR,—For the fiscal year 1909-10 a salary of $500 was paid to Mr. Frank Dennison from the vote for Excise, Preventive Service. The vouchers sent to this office do not indicate the nature of the service rendered by Mr. Dennison and whether his employment was in the department or elsewhere. I have, therefore, to ask for information on these points.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, June 17, 1910.

SIR,—Replying to your letter of the 15th instant, I beg to advise you that Mr. Frank Dennison is a temporary preventive officer, and his services for some time have been utilized in assisting the two permanent messengers of the department.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

AUDIT OFFICE, OTTAWA, July 11, 1910.

SIR,—I have your letter of the 17th ultimo, stating that: 'Mr. Frank Dennison is a temporary preventive officer and his services for some time have been utilized in assisting the two permanent messengers in the department.'

As the bringing of an outside service official into a department, as has been done in this case, is contrary to the provisions of the Civil Service Act, Mr. Dennison's employment as a messenger in the inside service should either be discontinued or authorized as required by the Act.

Please let me know what action you propose taking with regard to the matter.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, July 16, 1910.

SIR,—I beg to acknowledge the receipt of your communication of the 11th instant relative to the services of Temporary Preventive Officer Dennison being utilized in assisting the two permanent messengers in the department being contrary to the provisions of the Civil Service Act and requesting to be advised as to what action this department puproses taking with regard to the matter.

In reply, I beg to state that I do not desire to dispute the correctness of your ruling and will endeavour, at an early date, to bring about the permanent appointment of this official as a messenger in the inside service or cause him to return to the outside, to which service he, no no doubt, more properly should be attached.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Since employees in the laboratory are included in the inside service as defined by the Civil Service Amendment Act of 1908, I have to ask how the requirements of that Act were met in this instance.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, June 17, 1910.

SIR,—I beg to acknowledge the receipt of your communication of the 15th instant, relative to payments, made Mr. V. Kitto, from the Adulteration of Food vote.

In reply thereto, I beg to state that the pressure of work at the laboratory here rendered it necessary to employ temporary assistance, and in the month of May, 1909, a recommendation was made, through the Civil Service Commissioners, for authority to employ Mr. Kitto.

Probably through want of knowledge as to the real requirements of the Civil Service Amendment Act, Mr. Kitto's appointment was not confirmed until April 1 of this year. As he was, under the Adulteration Act, a qualified person and had been regularly at work the salary promised him had, necessarily, to be paid, and this was done, not unjustifiably, I trust, from the general vote of $30,000 for Adulteration of Food purposes.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, July 11, 1910.

SIR,—I have your letter of the 17th ultimo in explanation of payments to Mr. V. Kitto for services as a temporary assistant analyst in your department.

In reply, I beg to point out that the employment of Mr. Kitto in a temporary capacity for more than six months, and the payment for his services at the rate of $1,200 per annum, were both irregular, and further, that the salary of an official in the inside service of the department should not have been charged to a general appropriation.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, July 12, 1910.

SIR,—I beg to acknowledge the receipt of your communication of the 11th instant advising me that the 'the employment of Mr. Kitto in a temporary capacity for more than six months, and the payment for his services at the rate of $1,200 per annum were both irregular, and further, that the salary of an official in the inside service of the department should not have been charged to a general appropriation.'

I thank you for your opinion in this matter and will endeavour to prevent a recurrence of the irregularity referred to.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re Fertilizers.

AUDIT OFFICE, OTTAWA, November 17, 1909.

SIR,—You furnish to this office a monthly statement of the fees from fertilizers. Sometimes the name of the firm is entered, sometimes the name of your collector. The name of the firm should always be given.

No other returns are furnished, and in consequence, we are unable to determine if all the fees that should be collected are collected, or if all the fees that are collected are accounted for.

I assume that the Analyst branch of your department furnishes to the account branch periodical returns of the work done and the fees that should be paid. If so, I have to ask that they should be forwarded to this office.

During the year 1907-8 the analysts at Halifax, Montreal, Toronto, Victoria and Ottawa were paid for 104 analyses of fertilizers at $8 each. Were any fees collected for them?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, November 25, 1909.

SIR,—I beg to acknowledge the receipt of your communication of the 17th instant relative to the fees received for the analyses of fertilizers.

In reply to your inquiries, I beg to state that the fees referred to pertain to samples of fertilizers sent the department by manufacturers thereof or dealers therein. These fees, and the samples to which they pertain, are received at the department before the fertilizers are submitted to the laboratory for analysis and the department

knows that all fees that should be collected are collected and properly accounted for.

The fees paid public analysts in 1907-8 are for the analyses of samples submitted to them and refer to collections made on the open market by our food inspectors. As referred to in my letter of even date, no samples were sent these analysts during 1908-9, the work being done at the laboratory here and this additional expense saved.

As respects the monthly statement of fees forwarded your department, I have given instructions that, in future, the names of the persons from whom the fees are received be indicated thereon.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, November 27, 1909.

SIR,—I have received your letter of the 25th in reply to mine of the 17th in reference to fertilizers.

You have not answered the last paragraph of my letter inquiring if any fees were collected for the 104 analyses made at Halifax, Montreal, Toronto, Victoria and Ottawa.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, November 29, 1909.

SIR,—I beg to acknowledge the receipt of your further letter of the 27th instant calling my attention to the fact that I have not answered the last paragraph of your letter inquiring if fees wee collected for the 104 analyses made at Halifax, Montreal, Toronto, Victoria and Ottawa.

In reply, I find that I did not definitely state that no fees were collected, but as the samples were collected by our own inspectors I felt that you would understand that no fees were collectable in connection therewith.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re Adulteration of Food.

AUDIT OFFICE, OTTAWA, November 17, 1909.

SIR,—In your report for 1909, Part III., there are published letters from the Public Analysts Maynard Bowman, Halifax; J. T. Donald, Montreal, and F. X. Valade, Ottawa, stating that they had not received any samples for analysis during the year ended March 31 last.

C. J. Fagan, Victoria, writes stating that he made but one analysis.

One of these public analysts is paid $200 retaining fee, and an allowance for re-agents, $100. The others are each paid $200 retaining fee, $100 allowance for rent, and $100 allowance for re-agents.

During the year 1907-8, these officials were paid in addition for analyses made of fertilizers and milk, as follows:—

M. Bowman	$472 39
J. T. Donald	208 90
W. H. Ellis	168 00
F. X. Valade	112 00
C. J. Fagan	369 97

Please explain why no analyses were made during 1908-9.

It seems inconsistent that these officials should be retained if they have no duties to perform.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, November 25, 1909.

SIR,—I beg to acknowledge the receipt of your communication of the 17th instant respecting retaining fees paid public analysts and requesting to be advised as to the reasons why no samples were submitted these analysts for analyses.

In reply, I beg to advise you that the retaining fees are paid the analysts referred to under the provisions of an Order of His Excellency in Council, dated January 13, 1886, and in virtue of the office held by these persons.

Samples were not sent out during 1908-9 for the reason that the department is endeavouring to centralize the work at the laboratory at Ottawa where it can be done by expert analysts at a fraction of the cost which would arise were the samples submitted to the outside analysts.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, November 27, 1909.

SIR,—You state in your letter of the 25th that no samples were sent to the outside analysts during 1908-9 for the reason that the department is endeavouring to centralize the work at the laboratory at Ottawa, where it can be done by expert analysts at a fraction of the cost which would arise were the samples submitted to the outside analysts.

Under these circumstances, do you purpose continuing to pay these outside analysts $400 per annum, when you do not purpose giving them anything to do?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, November 29, 1909.

SIR,—I beg to acknowledge the receipt of your communication of the 27th instant requesting to be advised if we purpose continuing to pay outside analysts the retaining fee of $400 provided by the Act.

In reply, I beg to state that for some little time this will be necessary.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re **Excise Revenue—Cigars.**

AUDIT OFFICE, OTTAWA, December 24, 1909

SIR,—The revenue from the duty on cigars for the last five years has been as follows:—

1904-5	$1,103,742 64
1905-6	1,146,935 51
1906-7 (9 months)	912,757 62
1907-8	1,184,180 12
1908-9	626,059 15

Please explain how the very large reduction last year is accounted for.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, December 27, 1909.

SIR,—I beg to acknowledge the receipt of your communication of the 24th instant drawing my attention to the fact that for the year 1908-9 the revenue derived from cigars was very much less than during the four preceding fiscal years and asking me to explain how this very large reduction is accounted for.

In reply, I beg to call your attention to the fact that by the Act 7-8 Edward VII., chap. 34, the duty on cigars was reduced from $6 to $2 per M. and the duty on raw leaf tobacco increased from 10c. to 28c. per lb.

As this reduction in duty on cigars came into effect on the 1st of June, 1908, it will account for the apparent reduction referred to.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re **Ferries**

AUDIT OFFICE, OTTAWA, May 12, 1910.

SIR,—The license fee from the Prescott and Ogdensburg ferry that came to account during 1909-10 was $1.

The fee from this ferry for many years past has been $200.

Nothing has come to account from the Walkerville and Detroit ferry during 1909-10. Please explain.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, May 13, 1910.

SIR,—I beg to acknowledge the receipt of your communication of the 12th instant relative to the fees for ferry licenses at Prescott and Walkerville.

In reply to your inquiries, I beg to state that, as respects the Prescott and Ogdensburg ferry, the license fee was by Order in Council of October 18, 1909, placed at the sum of $1 per annum.

There was no license as respects the Walkerville and Detroit ferry during the year 1909-10.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re **Warehouse Licenses.**

AUDIT OFFICE, OTTAWA, June 30, 1910.

SIR,—I enclose a statement showing the receipts from warehouse licenses for the last three years.

I have to ask for an explanation of the reduction at several of the divisions, especially at Hamilton, Owen Sound, Toronto, St. John, Halifax and Pictou.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, June 30, 1910.

SIR,—I beg to acknowledge the receipt of your communication of this date with statement showing the revenue derived from bonding warehouse licenses in each division during the years 1907-8, 1908-9 and 1909-10, and requesting to be furnished with an explanation of the reason for this reduction more especially at Hamilton, Owen Sound, Toronto, St. John, Halifax and Pictou.

In reply, I beg to state that the taking out of a bonding warehouse license by any person is purely optional and that the falling off in receipts is due entirely to the fact that fewer persons applied for licenses in 1909-10 than in the preceding years.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.

Re **Weights and Measures Revenue.**

AUDIT OFFICE, OTTAWA, July 4, 1910.

SIR,—The Weights and Measures revenue for 1909-10 amounted to $92,666.95, as against $80,184.32 for the previous year, an increase of $12,482.63.

The increases were in a large part at following places:—

	1908-9.	1909-10.	Increase.
Kingston		$4,432 85	$4,432 85
St. Hyacinthe	$3,509 05	7,390 56	3,881 51
Three Rivers	288 10	1,682 05	1,393 95
Winnipeg	7,953 25	8,873 70	920 45
Calgary	2,592 15	4,564 44	1,972 29
Regina		625 95	625 95

Is there any special reason for these large increases?

Notwithstanding the large aggregate increase, there are decreases at the following places:—

Hamilton	$ 107 69
Ottawa	137 45
St. John	1,199 11
Cape Breton	244 57
Nelson	347 65
Vancouver	531 50

How is the large decrease at St. John accounted for?

The very small receipts at Dawson, $20.75, call for explanation.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPT. OF INLAND REVENUE, OTTAWA, July 7, 1910.

SIR,—I beg to acknowledge the receipt of your communication of the 4th instant relative to the increase and decrease of Weights and Measures revenue in certain named inspection districts.

In reply, I beg to state that:—

(*a*) The apparent increased revenue in the Kingston district arises from the fact that before the year 1909-10 there was no basis of comparison, the district being then created and taken from the territory embraced in the former district of Belleville.

(*b*) The increase in the St. Hyacinthe district is due to the establishment in that district of the Canadian branch of the Fairbanks Company.

(*c*) The increase at Three Rivers, as compared with the previous years, arises from the fact that Weights and Measures inspection is biennial and there is every reason to look for a rise and fall of receipts.

(*d*) The increases in the districts of Winnipeg and Calgary are due to the increase in population therein and naturally an enlarged business activity.

(*e*) The district of Regina has been recently created and formerly was a part of that of Calgary.

(*f*) The decreases at Hamilton, Ottawa, Cape Breton, Nelson and Vancouver are due to the following causes:—

Hamilton—Due to decreased output of scale manufactories.

Ottawa—Due to cessation of operations at scale factory at Pembroke.

Cape Breton, Nelson and Vancouver—Accounted for by inspections being biennial and the revenue of any one year cannot properly be compared with any other.

St. John, N.B.—The reasons are the same as given for Cape Breton, Nelson and Vancouver. The revenue in this inspection district during the last five years has been, respectively, $2,427.26, $2,275.57, $2,035.88, $3,324.26 and $2,125.15. The revenue in 1908-9 was unusually high, probably due to tht fact that, owing to fine weather, the inspectors were enabled to inspect a greater number of scales, weights, measures, &c., than in the preceding or subsequent year.

As respects the inspection district of Dawson, the decrease of $23.25, as compared with the preceding year, is being inquired into.

The general Weights and Measures revenue has materially increased during the last ten years, the collections in 1900-1 amounting to $54,448.35, while for 1909-10 the revenue amounted to the sum of $92,789.30.

I remain, sir, your obedient servant,

W. J. GERALD, *D.M.*

The Auditor General.
